DEPOSIT

Your deposit as a new customer is two times the monthly access line charge plus two times the estimated monthly toll charges. Service which has been disconnected for nonpayment will not be restored until a deposit, in the amount for which it was terminated, has been paid. Additionally, if we feel the amount of the deposit is not suitable to safeguard the interests of our company, we may require an additional deposit to cover the amount of service accruing for a period of two months. The deposit will be refunded to you after two years of prompt payment if, within that two years, the company has not been forced to disconnect the service due to delinquency and the customer has not been delinquent more than once in any 12 consecutive months. Interest will be paid on deposits over \$100.

ADVANCE PAYMENT

Your advance payment per access line covers a deposit with the remainder applied to the Basic Installation Charges and Local Service Monthly Access Charges.

INTERNET USER ALERT

AVOID LONG DISTANCE CHARGES when accessing a LOCAL/EAS internet provider via dial-up access.

When setting up your computer to dial up a local /EAS (Extended Area Service) internet connection in the Summit or Fairbanks areas:

DO NOT ENTER THE "1(907)" with the seven digit number you need to call the internet service provider (ISP) if they are normally a free call. Entering the 1(907) will cause the call to go to AT&T and incur long distance charges to your phone.

If you have questions or concerns regarding connecting to your ISP, please call your ISP. If your provider can not resolve your issue, call Summit Telephone Company at 389-1012. We will attempt to help you.

4. If the third party's line does not ring or there is no answer, depress the hook switch button momentarily to reconnect to the party on hold.

Re: Long Distance Service

Dear Customer:

The only long distance carrier available in our service area is ATT.

If you will be making long distance calls you will need to set up an account with ATT before making any calls. If you do not set up an account before you make a long distance call they will bill you through a 3rd party billing service at a higher rate. They will then place a toll block on your line until an account is set up with ATT.

If you would like to set up an account with AT&T Alascom long distance service, please contact them at (800) 252-7266. This is a toll free number for all of AT&T Alascom's Residential and Internet Services.

If you do not wish to receive a separate bill from AT&T Alascom, you might consider using a prepaid calling card for your long distance service needs. Please contact the Summit office if you wish to select toll block service and use a calling card.

Sincerely,

James Perry

1. About Lifeline

Lifeline is a federal benefit that lowers the monthly cost of phone or internet service.

- If you get Lifeline for phone service, you can get the benefit for one mobile phone or one home phone, but not both.
- If you get Lifeline for internet service, you can get the benefit for your mobile phone or your home connection, but not both.
- If you get Lifeline for bundled phone and internet service, you can get the benefit for your mobile phone bundled service or your home bundled service, but not both.

Your household cannot get Lifeline from more than one phone or internet company.

What is a household?

A household is a group of people who live together and share income and expenses (even if they are not related to each other).

Do not give your benefit to another person

Lifeline is non-transferable. You cannot give your Lifeline benefit to another person, even if they qualify.

Be honest on this form

You must give accurate and true information on this form and on all Lifeline-related forms or questionnaires. If you give false or fraudulent information, you will lose your Lifeline benefit (i.e., de-enrollment or being barred from the program) and the United States government can take legal actions against you. This may include (but is not limited to) fines or imprisonment.

You may need to show other documents

You will need to show your phone or internet company an official document from one of the government qualifying programs or prove your annual income. Please provide copies of your official documents with this application. Include the documents in option 1 or option 2 below:

2. If you qualify through your income: copies of your state ID card and your last state, federal, or Tribal tax return, pay stubs for 3 consecutive months, or other accepted documents. Visit lifelinesupport.org to see the full list of accepted documents.
